

180 DEGREES CONSULTING SHEFFIELD

Student-led, strategic and technical consulting for charities, non-profits and social enterprises

180Degrees
CONSULTING
— SHEFFIELD —

OUR MISSION

"to empower non-profits and social enterprises with affordable, high-quality assistance for impactful community change. And in doing so, to develop the next generation of social impact leaders."

20+

projects delivered
for mission-driven organisations

Low-cost

by design
fees kept minimal for the third sector

8 weeks

typical project length
scoping through to handover

Best

new branch winner
Winner of the 180DC Best New Branch Award, EMEA

WHAT WE DO *Six practice areas. Most projects combine two or three.*

Strategy & market entry

Growth plans, new services, feasibility studies and positioning for a changing funding landscape.

Operational efficiency

Process reviews, service redesign, and volunteer and staff resourcing models.

Impact measurement

Theories of change and KPI frameworks to provide the evidence funders are increasingly asking for.

Marketing & engagement

Brand, messaging, campaign planning and reaching the communities you exist to serve.

Digital innovation

Websites, automation, CRM selection and low-cost technology adoption that improves efficiency

Fundraising & revenue

Funder mapping, bid support and diversified, more resilient income models.

WHY CHOOSE US *Tailored globally assured quality*

Consultancy quality, charity pricing

We charge a modest fee because cost is never the reason a good cause goes unsupported.

Practical work you can act on

Every engagement ends with a clear, implementable set of recommendations — not a report that sits on a shelf.

Elite talent, professional results

Top-tier multidisciplinary consultants coached by experienced project leads.

Globally assured quality

We operate under rigorous quality control standards, actively overseen by our global team

HOW IT WORKS

1 Scoping call

No obligation. We test if we're the right fit.

2 Proposal

Scope, timeline and fee agreed up front.

3 8-week project

A dedicated team; checkpoints you steer.

4 Handover & support

Recommendations, materials and follow-up.
